

SHAPES

Activity Book

Ages 3–6 Years

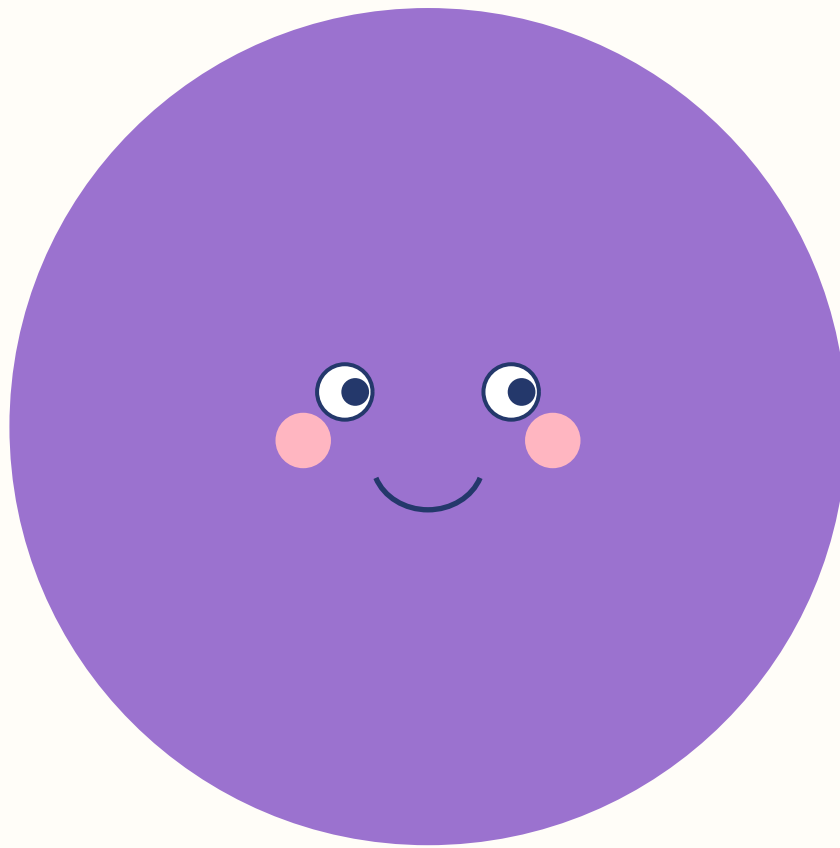

A fun, screen-free way to learn shapes through tracing, matching, patterns, and creative play!

Helping parents create meaningful moments with their children

CIRCLE

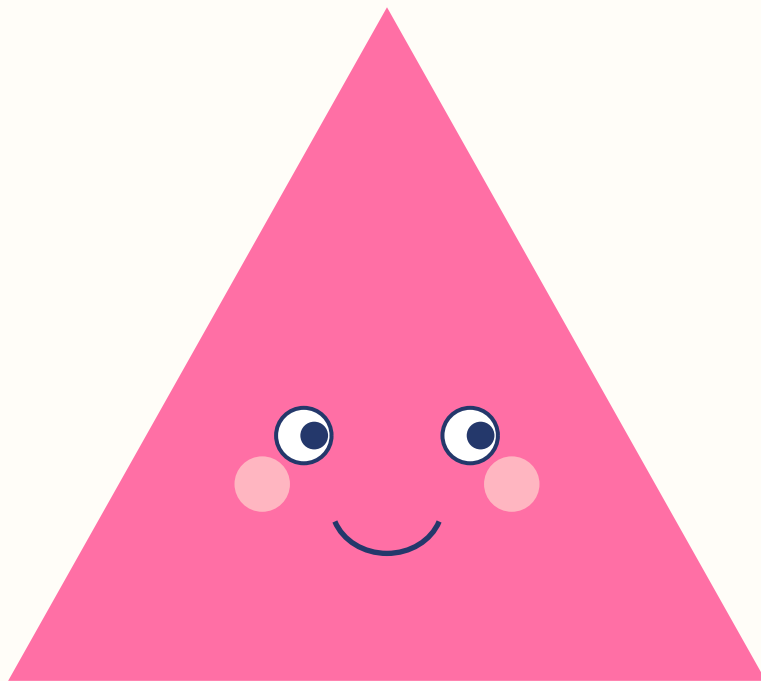

Round and round, no corners found!

A circle has ZERO sides and ZERO corners!

TRIANGLE

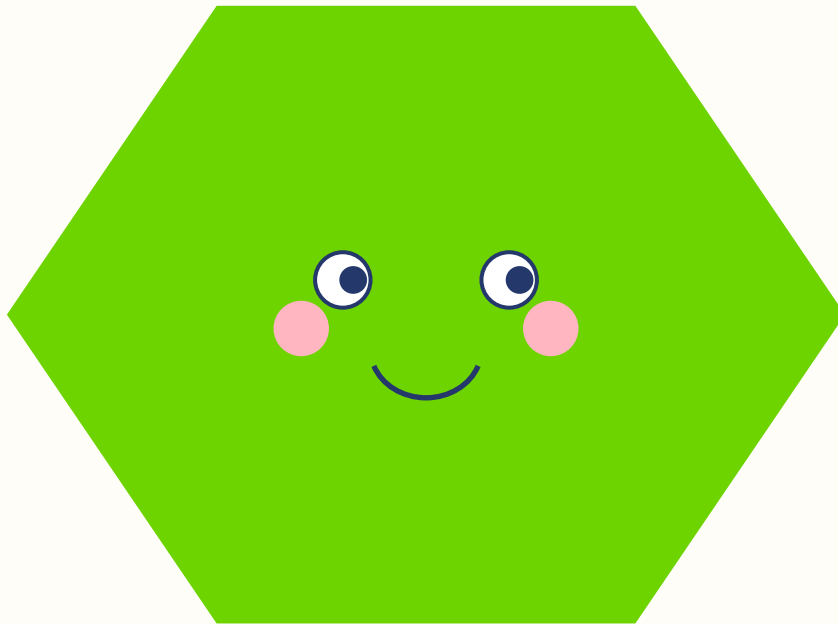

Three sides, three corners — pointy and bright!

A triangle has 3 sides and 3 corners.

HEXAGON

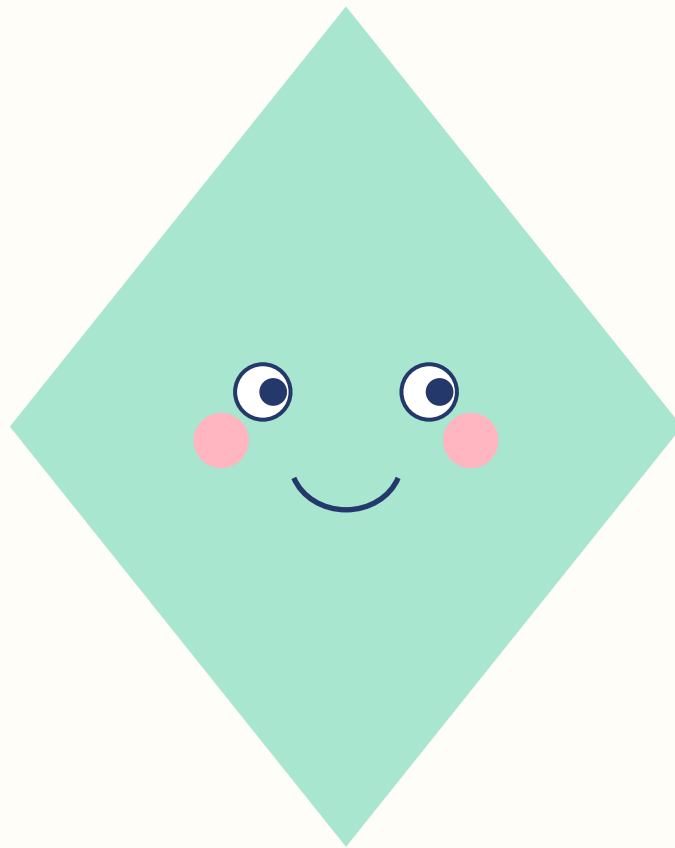

Six sides make a honeycomb home!

A hexagon has 6 sides — like a bee's honeycomb!

DIAMOND

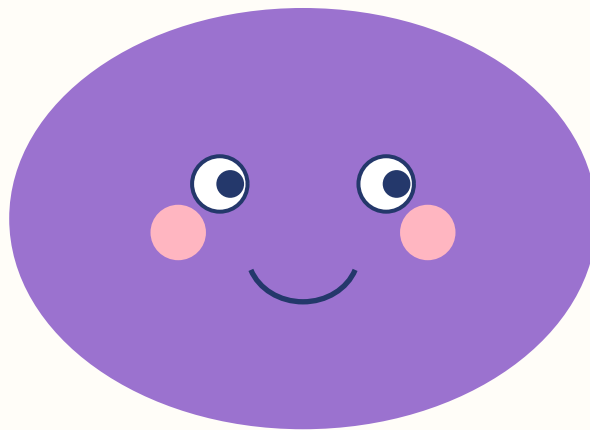

Sparkling and slanted, a treasure to find!

A diamond is also called a RHOMBUS!

OVAL

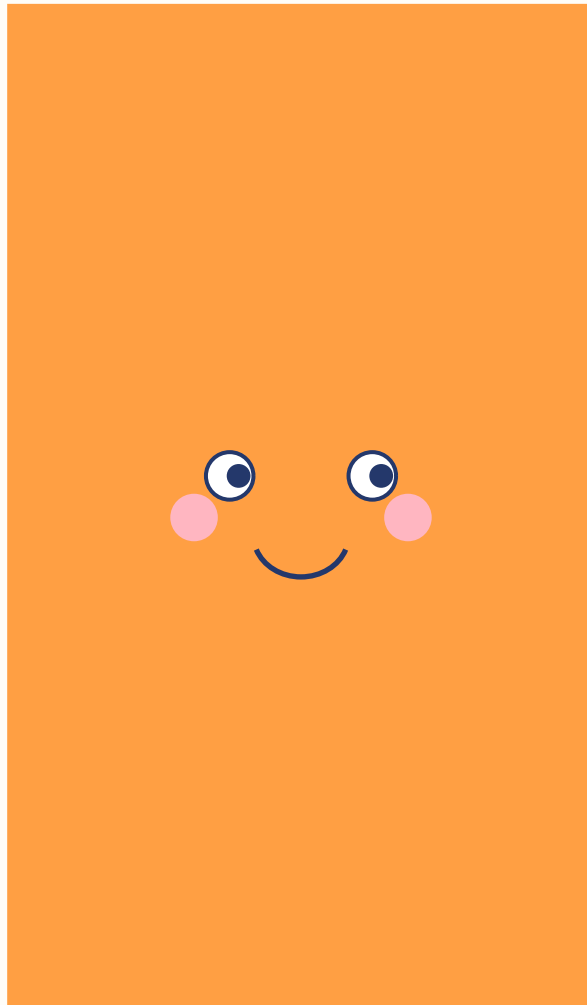

Like an egg or a rugby ball!

An oval looks like a squished circle!

RECTANGLE

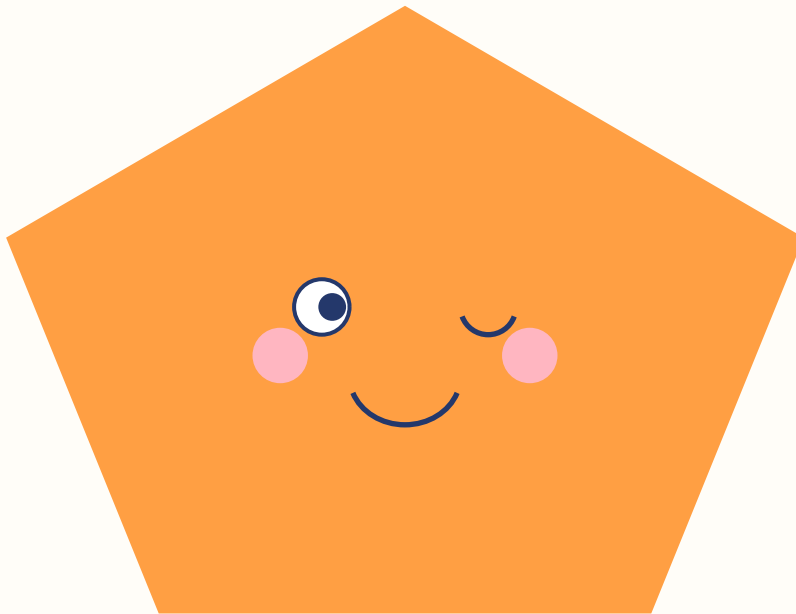

Two sides short and two sides long!

A rectangle has 4 sides and 4 corners.

PENTAGON

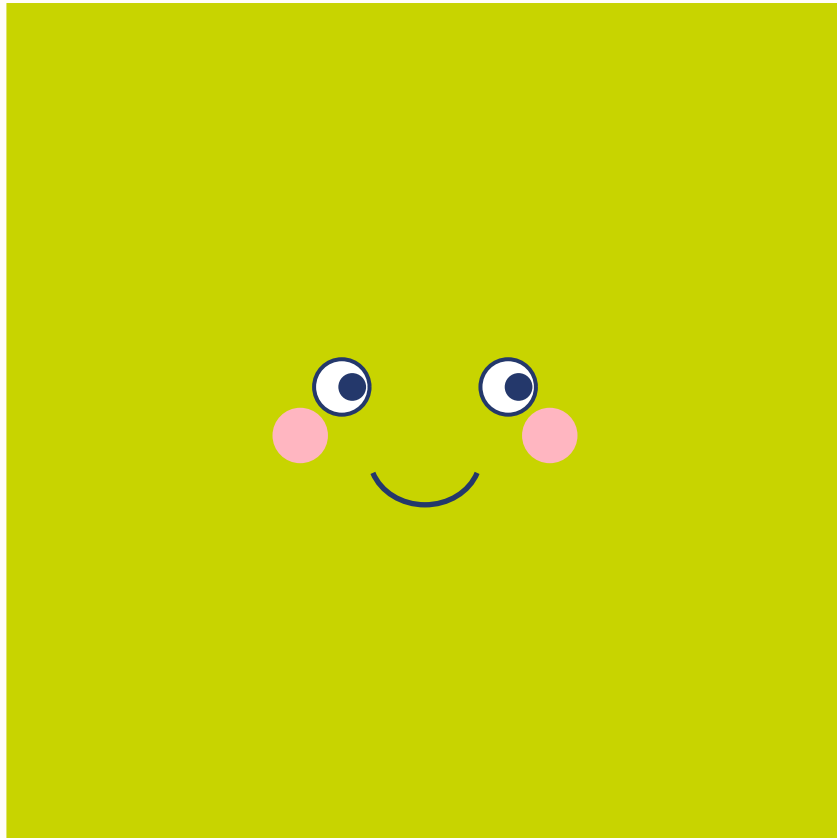

Five sides strong like a little house!

A pentagon has 5 sides — penta means five!

SQUARE

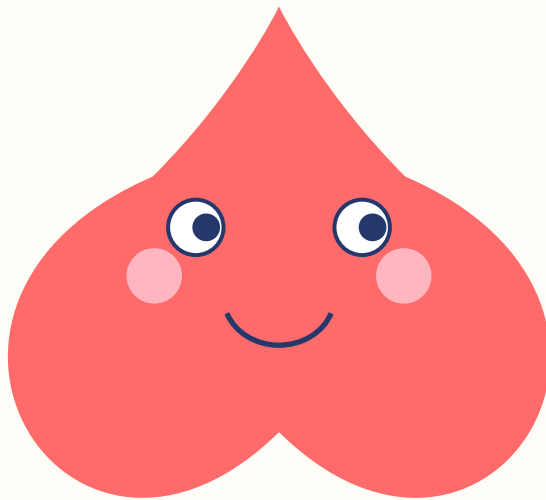

Four equal sides — perfectly fair!

A square is a special rectangle with equal sides!

HEART

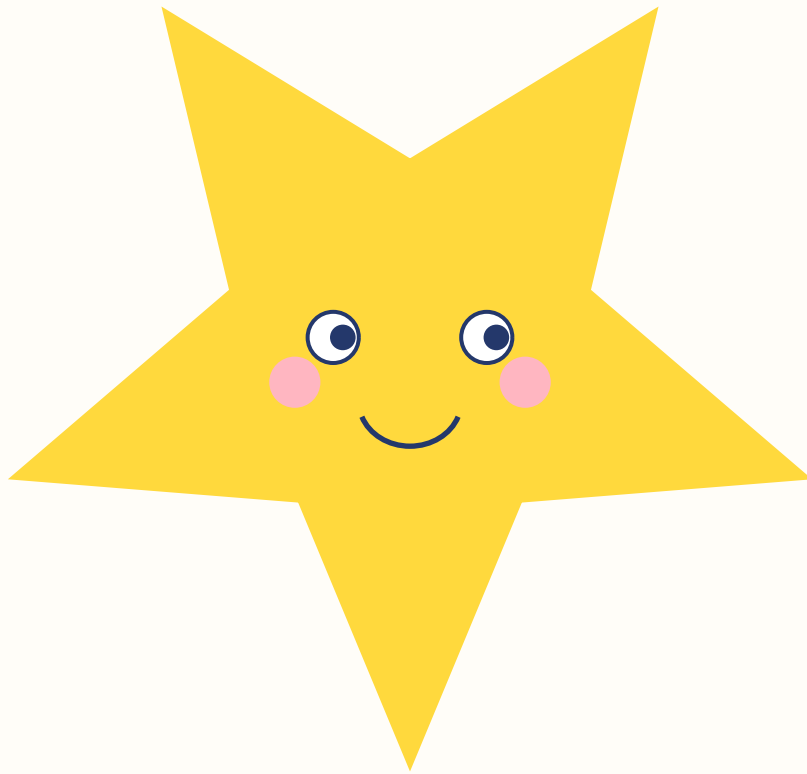

Full of love, the sweetest shape!

A heart shape is a symbol of LOVE!

STAR

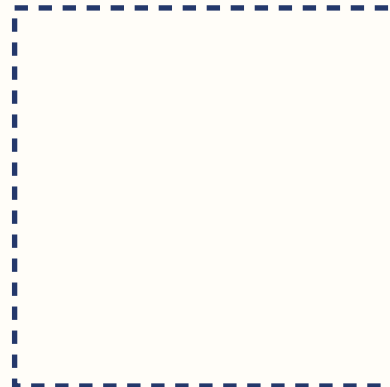

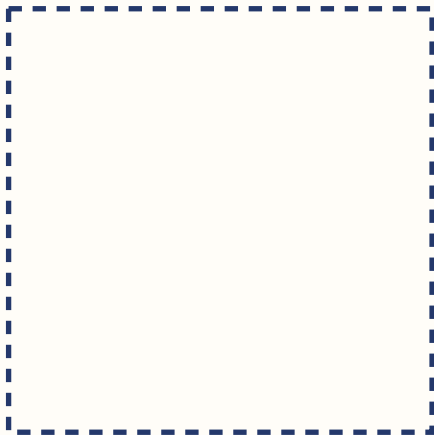

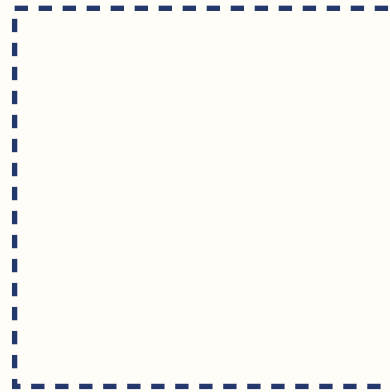

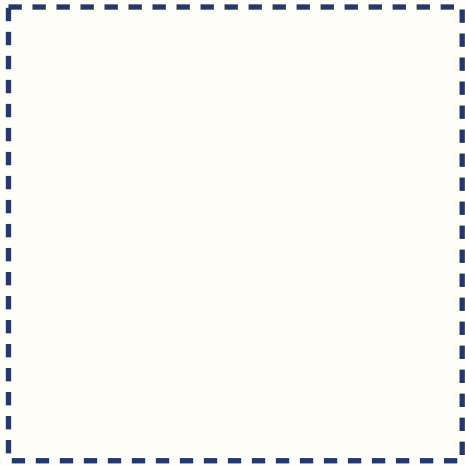

Five points shining near and far!

A 5-pointed star is called a pentagram!

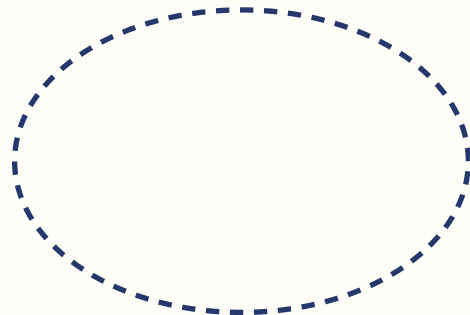

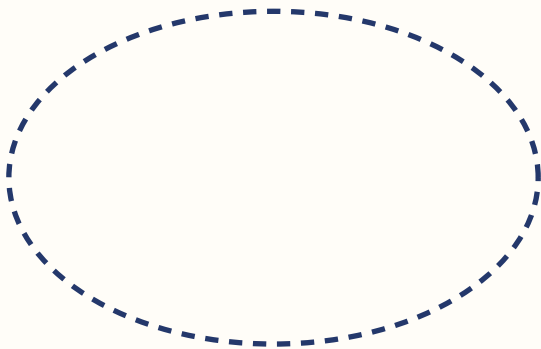

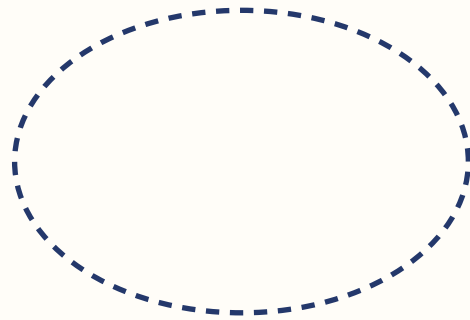

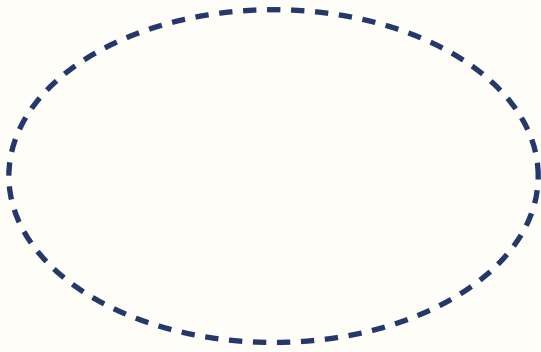

Trace The Squares

Use a pencil to trace along the dotted lines!

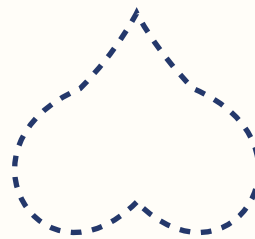

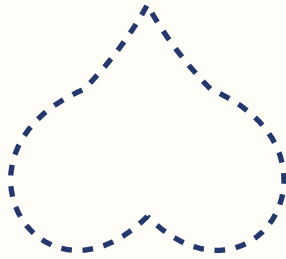

Trace The Ovals

Use a pencil to trace along the dotted lines!

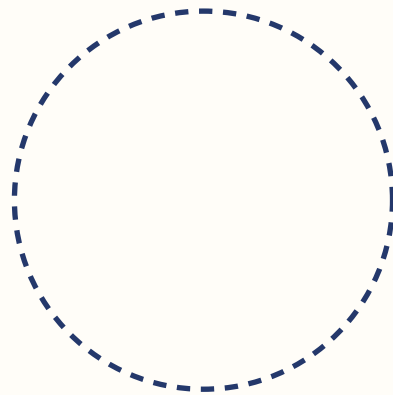

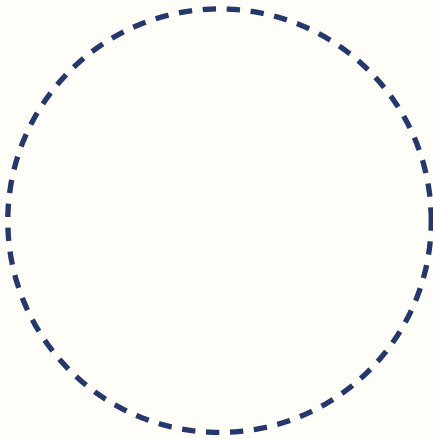

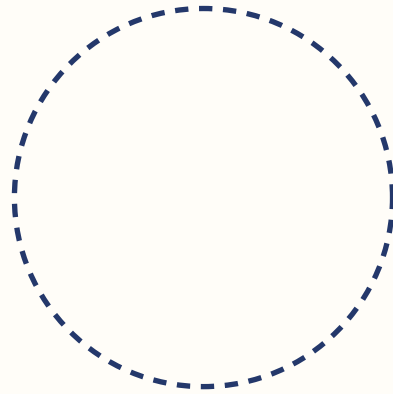

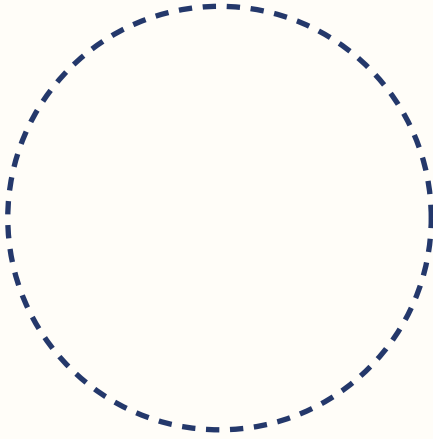

Trace The Hearts

Use a pencil to trace along the dotted lines!

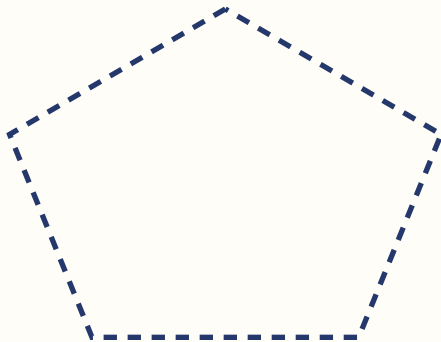

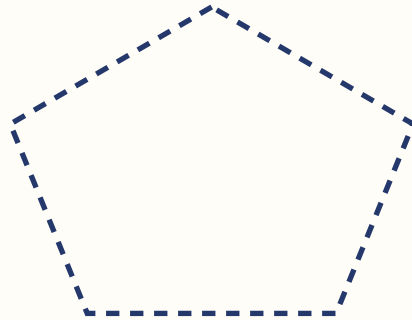

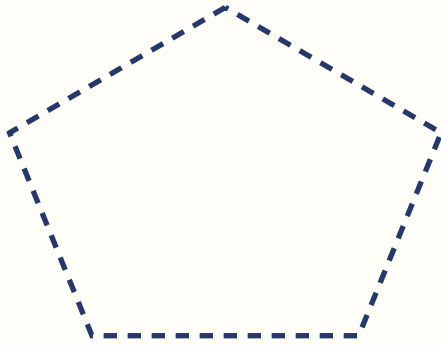

Trace The Circles

Use a pencil to trace along the dotted lines!

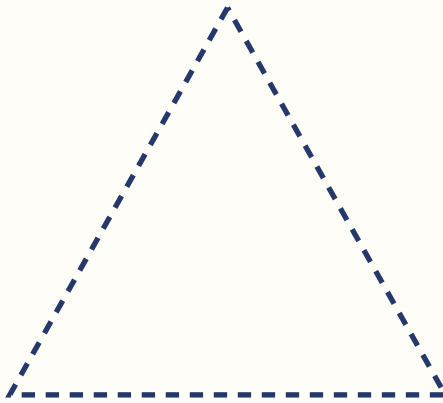

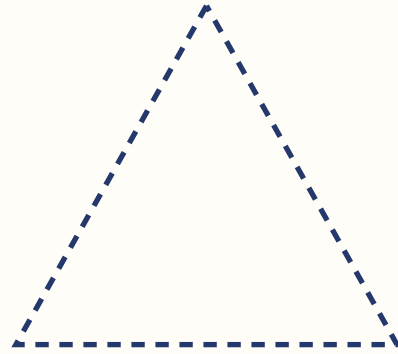

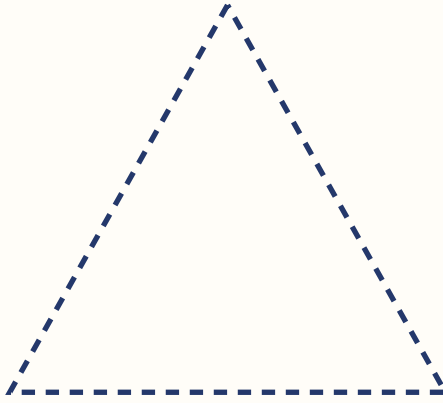

Trace The Pentagons

Use a pencil to trace along the dotted lines!

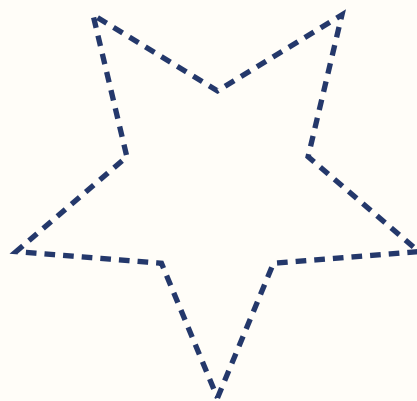

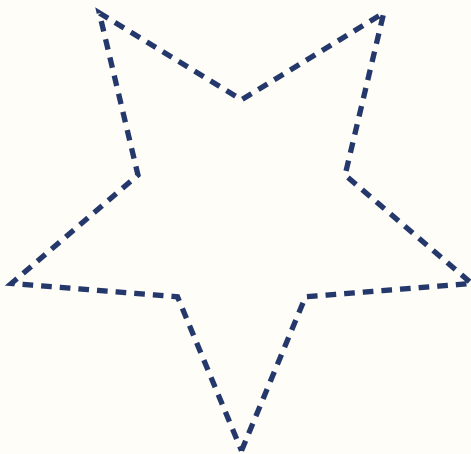

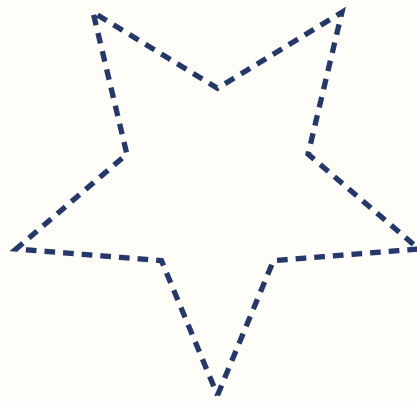

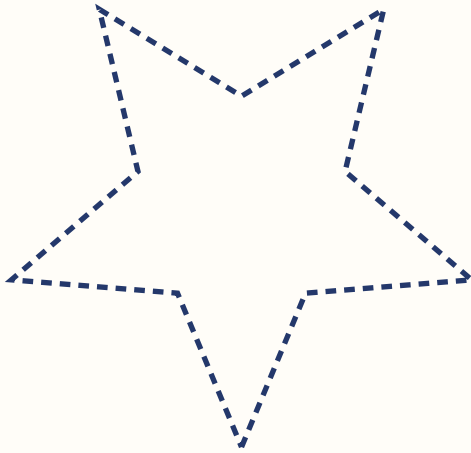

Trace The Triangles

Use a pencil to trace along the dotted lines!

Trace The Stars

Use a pencil to trace along the dotted lines!

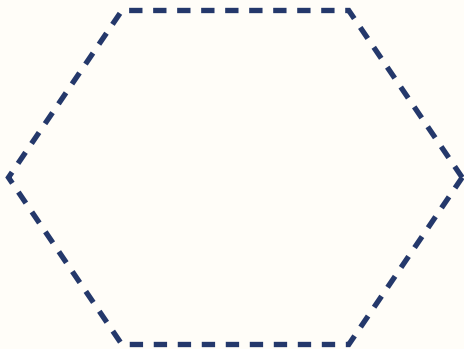

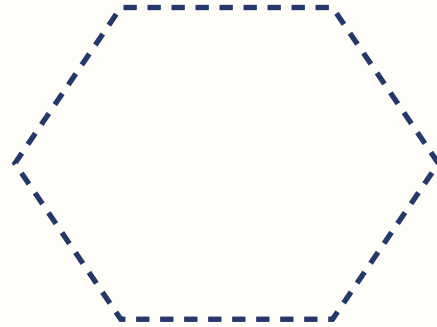

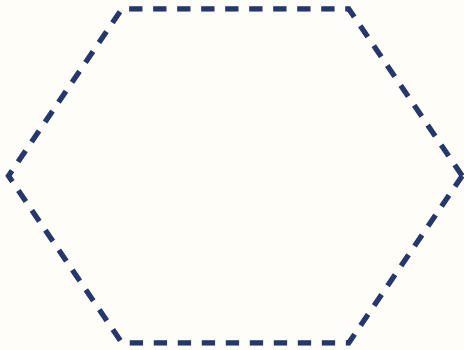

Trace The Rectangles

Use a pencil to trace along the dotted lines!

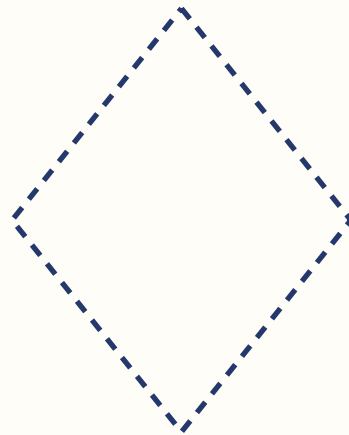

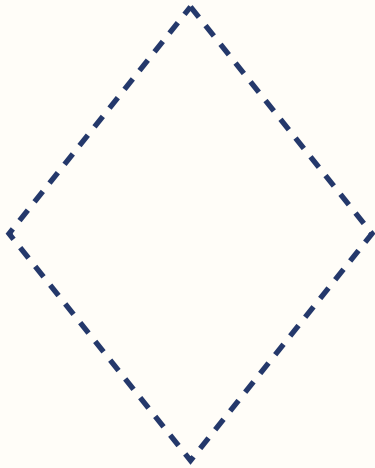

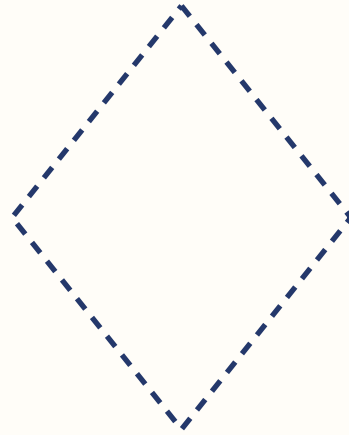

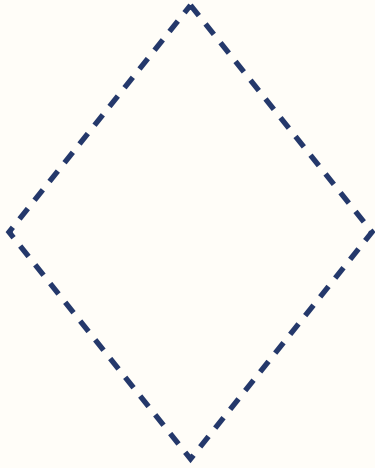

Trace The Hexagons

Use a pencil to trace along the dotted lines!

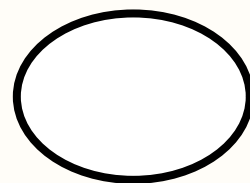

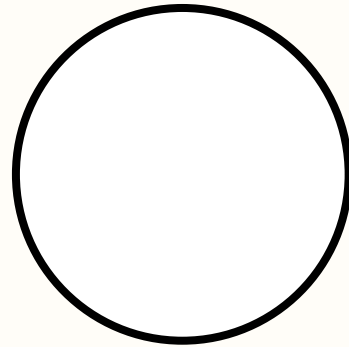

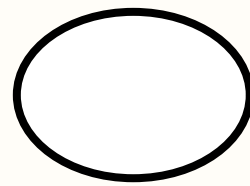

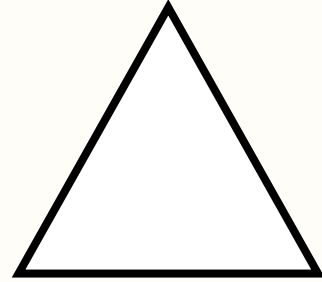

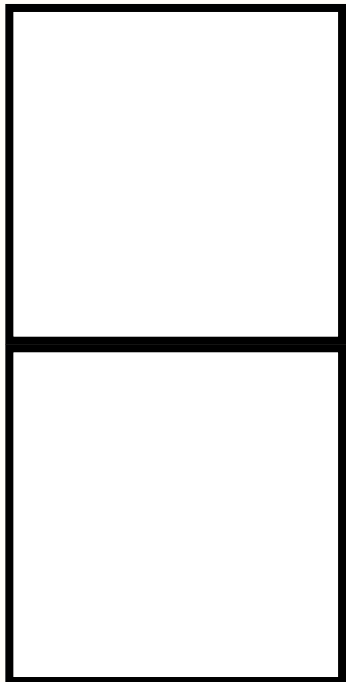

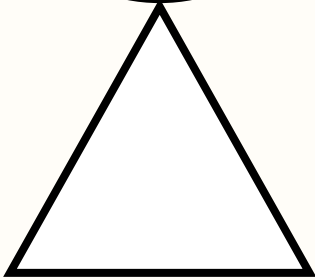

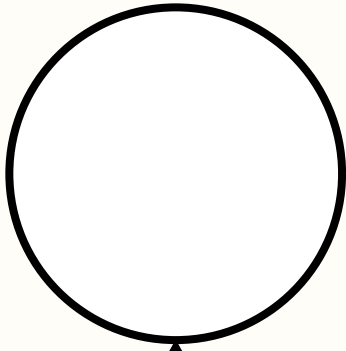

Trace The Diamonds

Use a pencil to trace along the dotted lines!

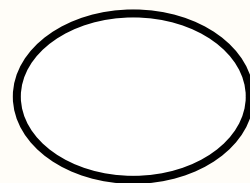

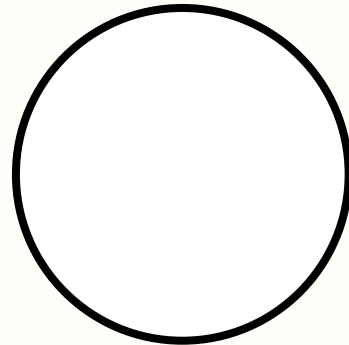

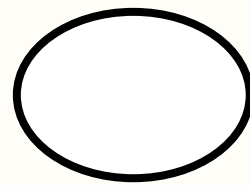

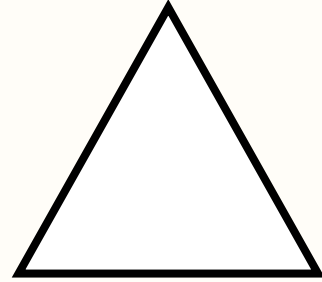

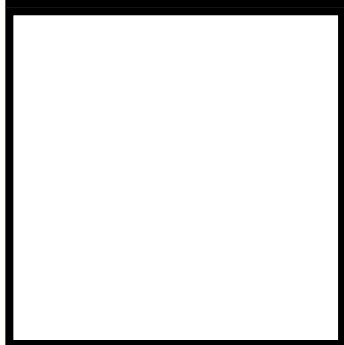

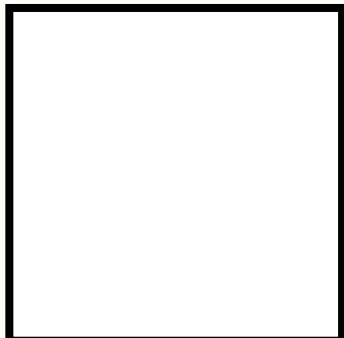

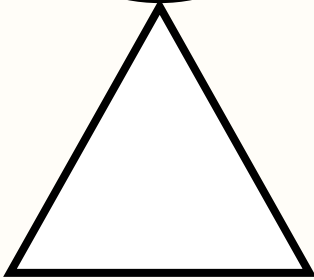

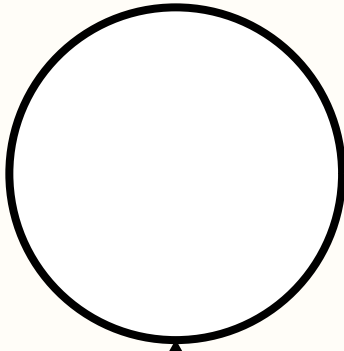

Find The Circle

Find the two circles and color them!

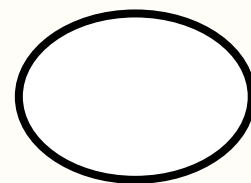

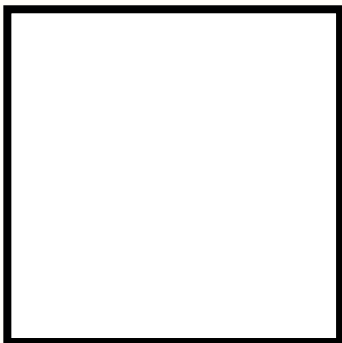

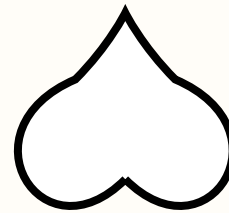

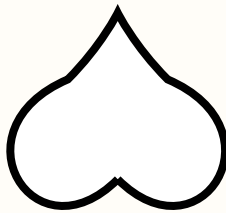

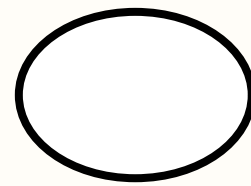

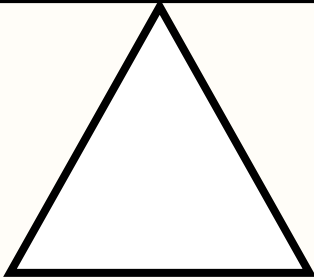

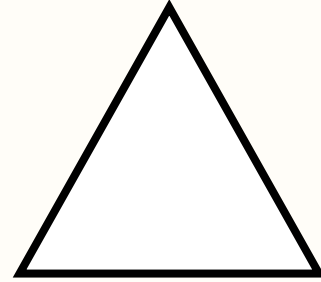

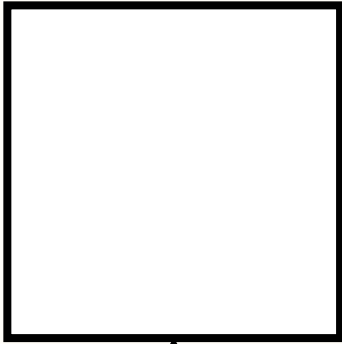

Find The Square

Find the two squares and color them!

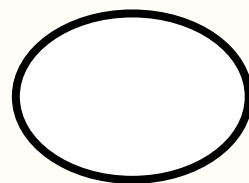

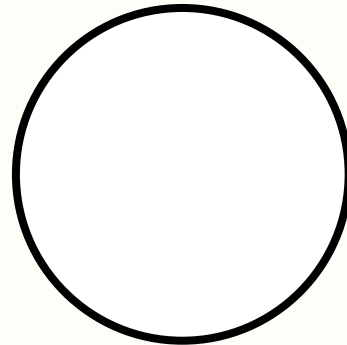

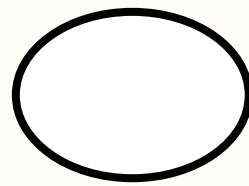

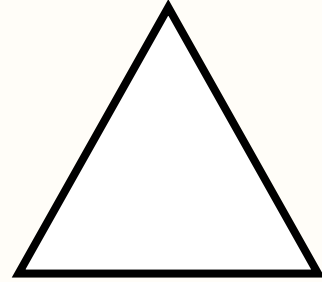

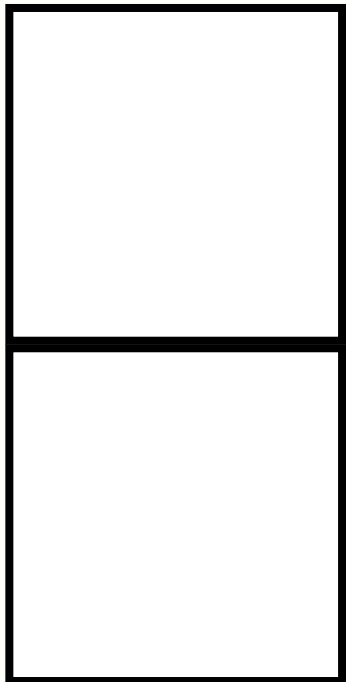

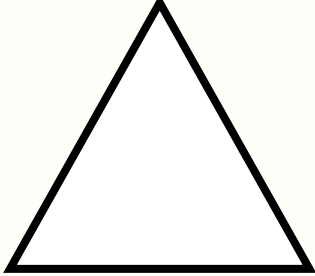

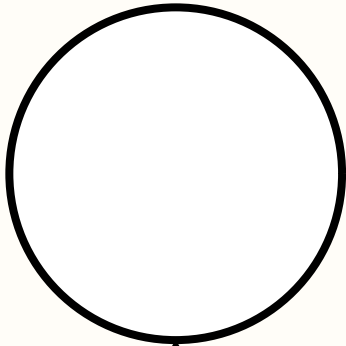

Find The Heart

Find the two hearts and color them!

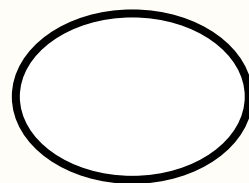

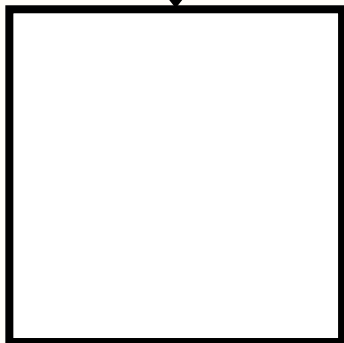

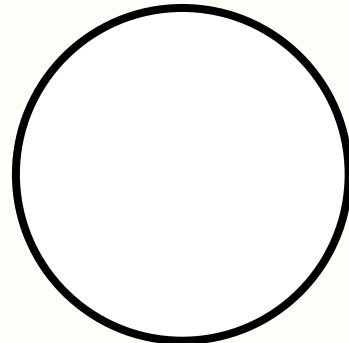

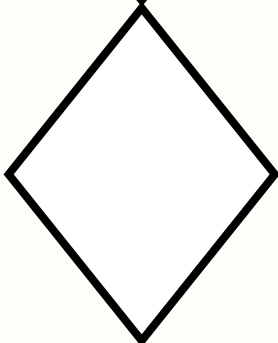

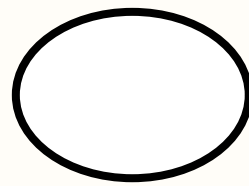

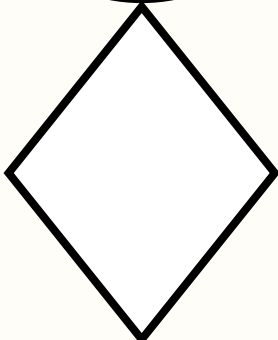

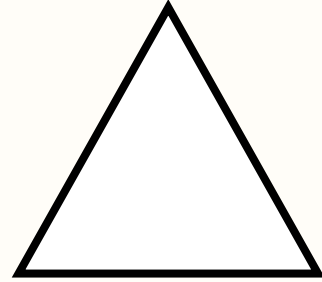

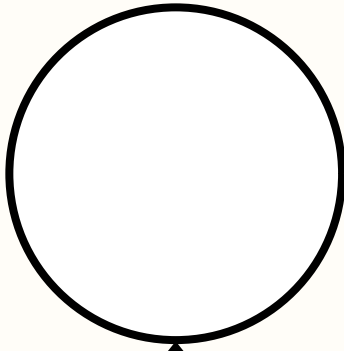

Find The Triangle

Find the two triangles and color them!

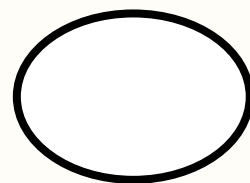

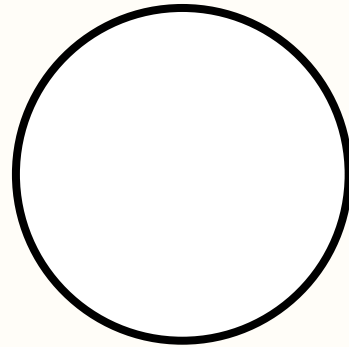

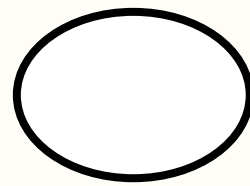

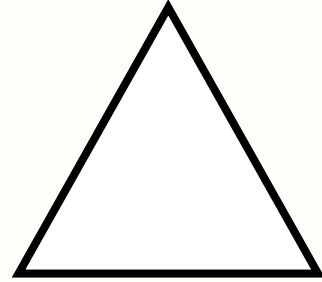

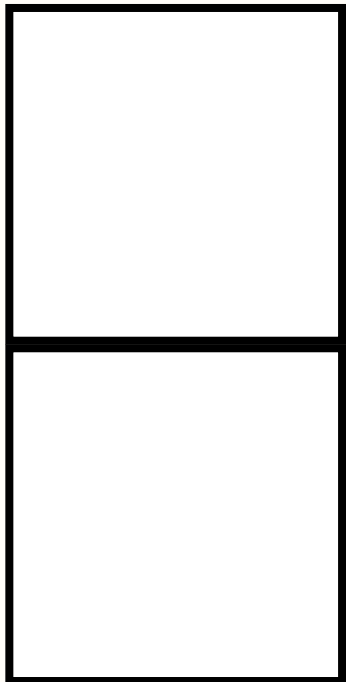

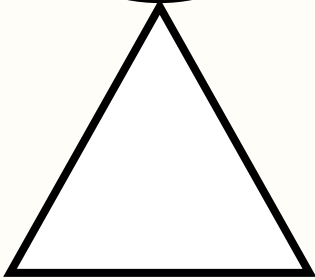

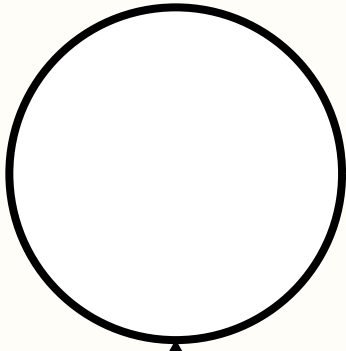

Find The Diamond

Find the two diamonds and color them!

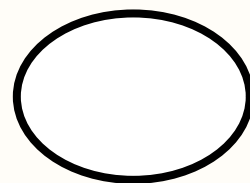

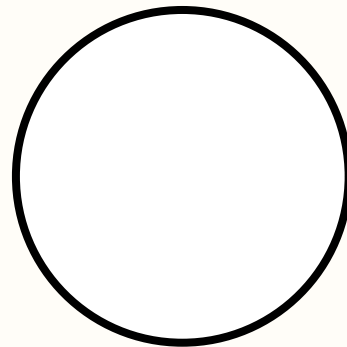

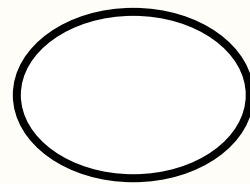

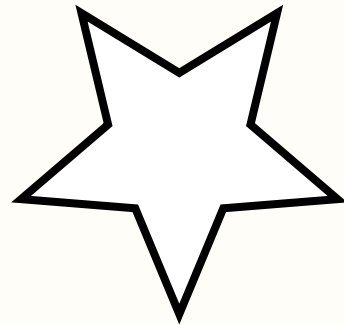

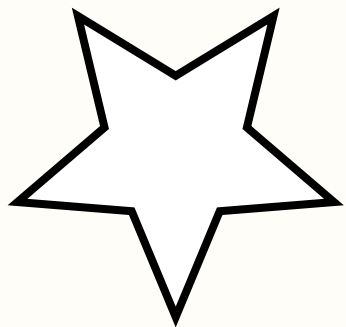

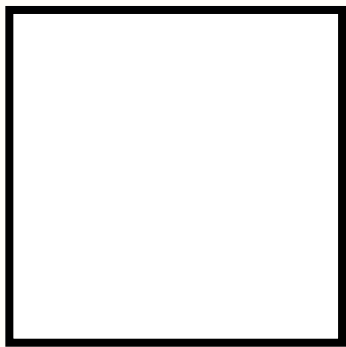

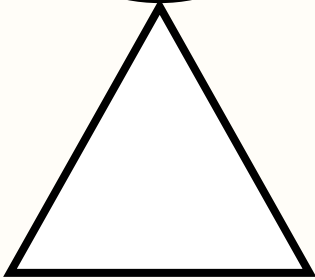

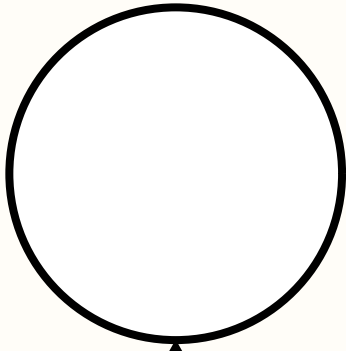

Find The Oval

Find the two ovals and color them!

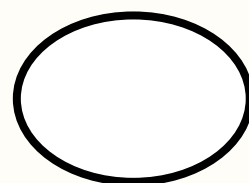

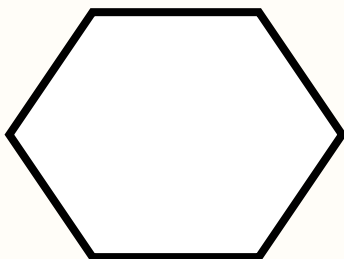

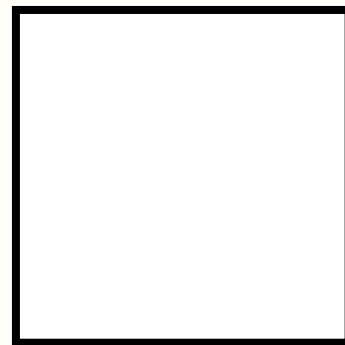

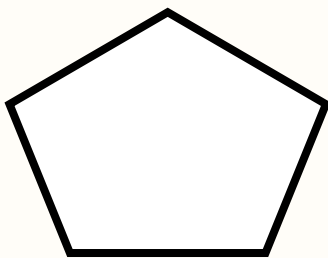

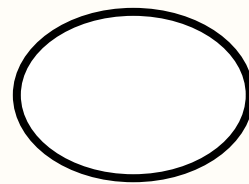

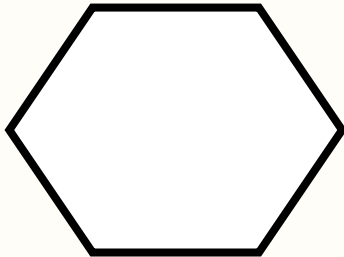

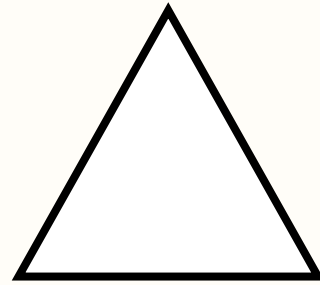

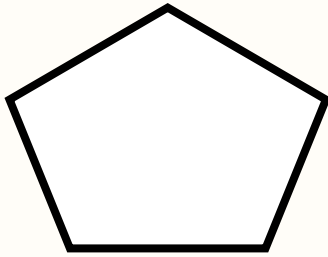

Find The Star

Find the two stars and color them!

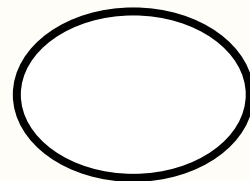

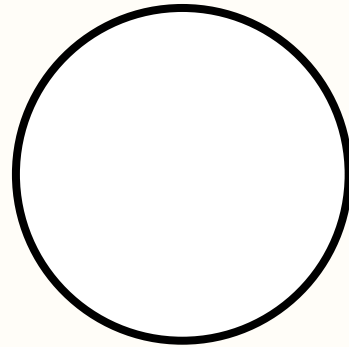

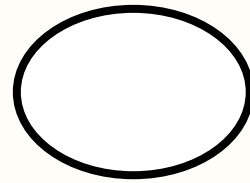

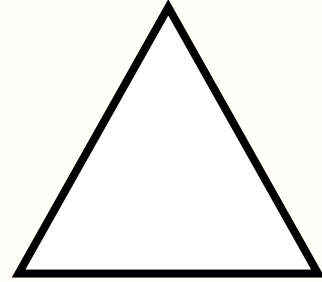

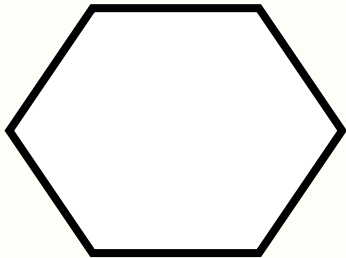

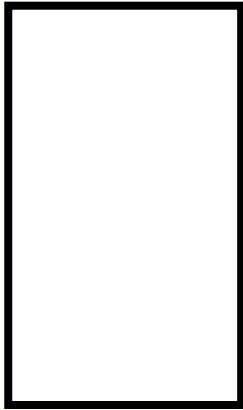

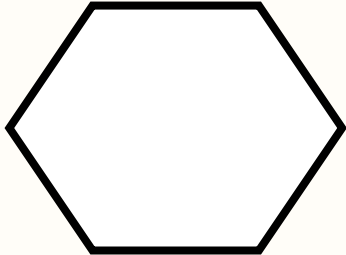

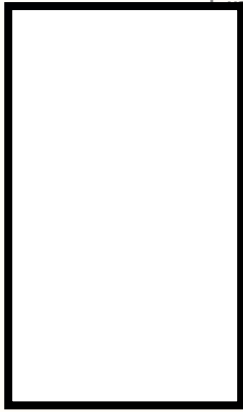

Find The Pentagon

Find the two pentagons and color them!

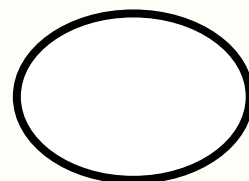

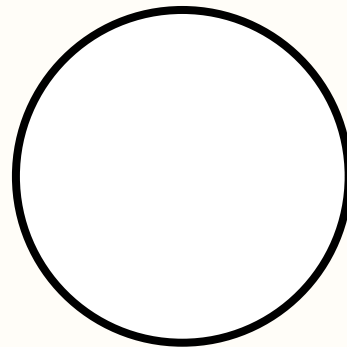

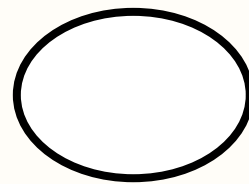

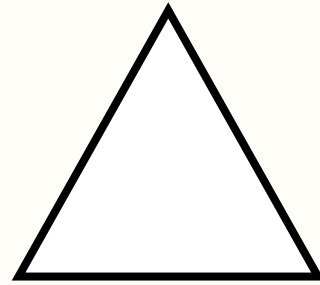

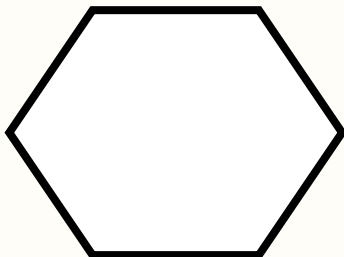

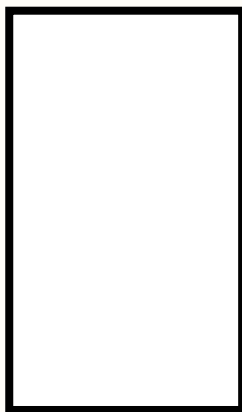

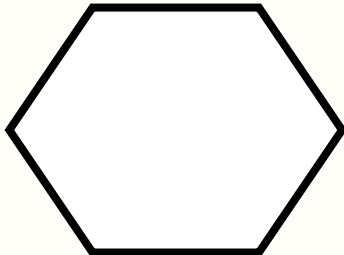

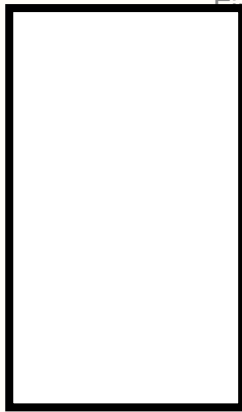

Find The Rectangle

Find the two rectangles and color them!

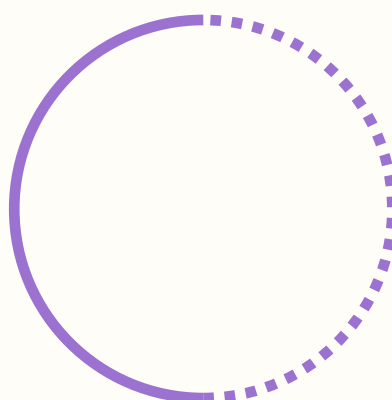

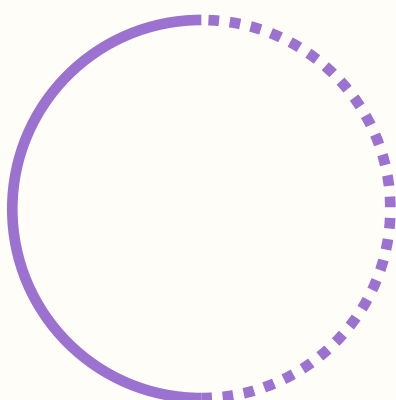

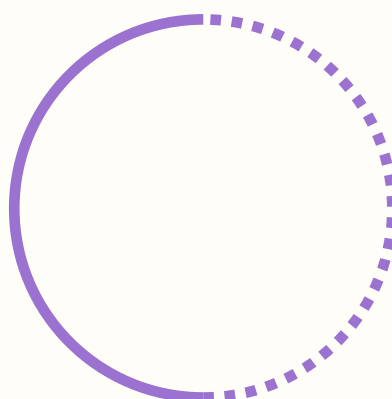

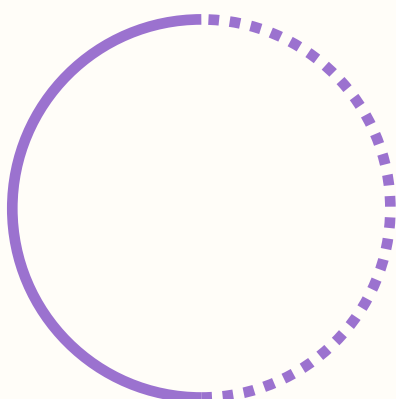

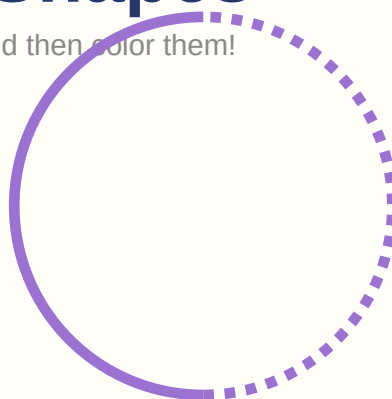

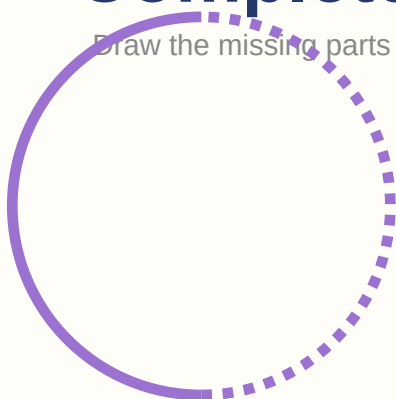

Find The Hexagon

Find the two hexagons and color them!

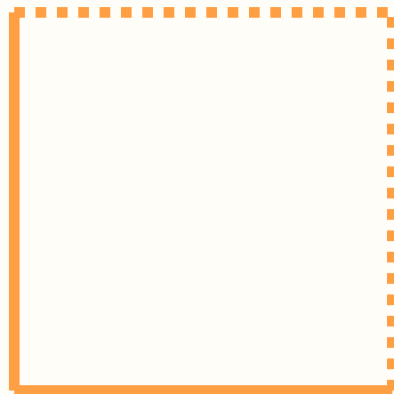

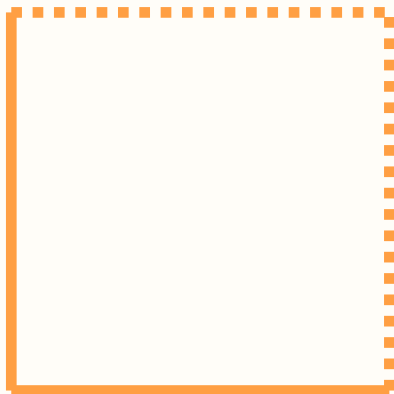

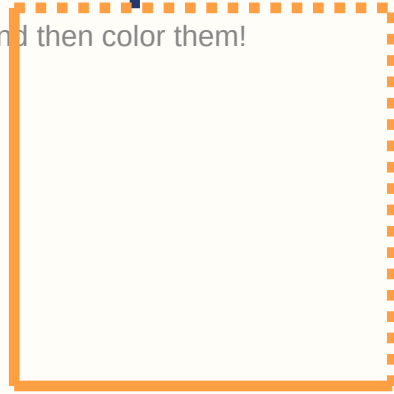

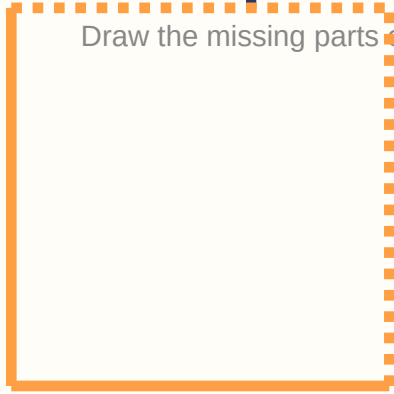

Complete The Shapes

Draw the missing parts of the circles and then color them!

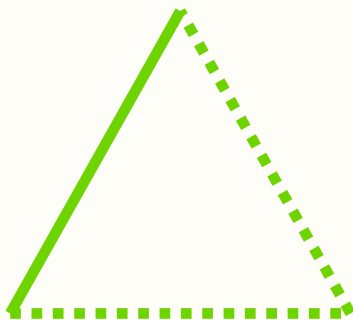

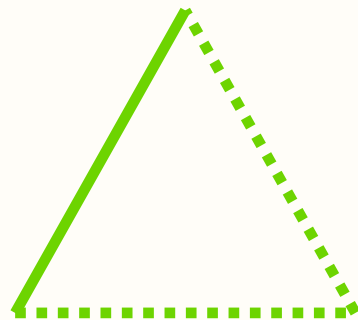

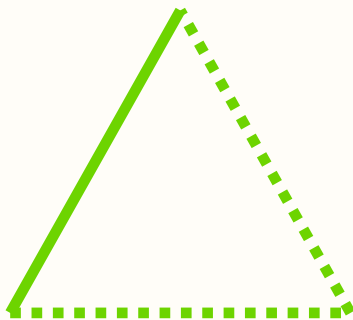

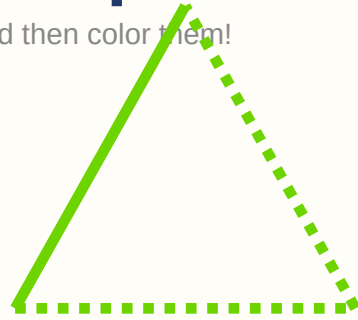

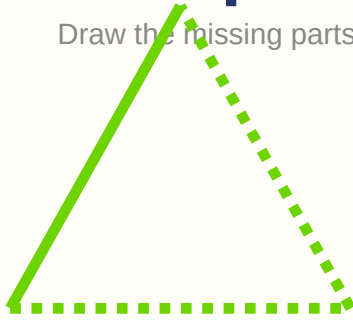

Complete The Shapes

Draw the missing parts of the squares and then color them!

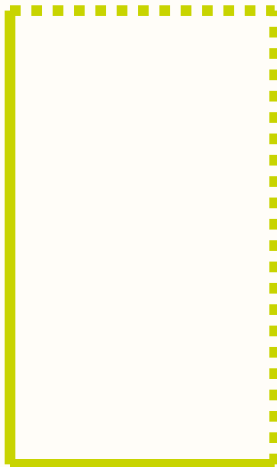

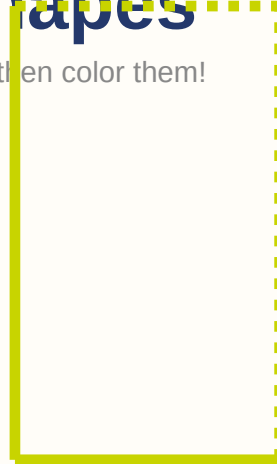

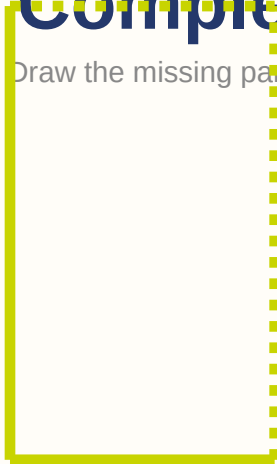

Complete The Shapes

Draw the missing parts of the triangles and then color them!

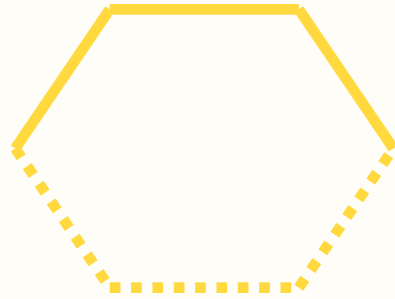

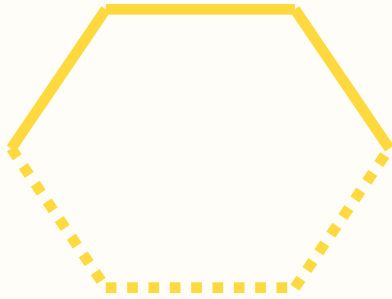

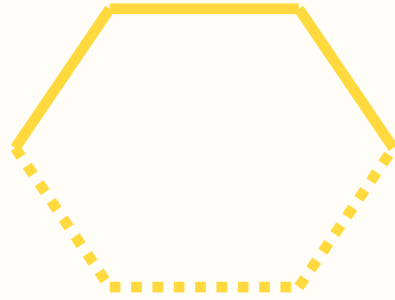

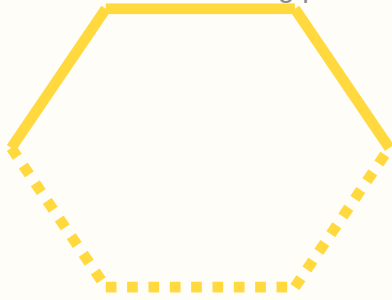

Complete The Shapes

Draw the missing parts of the rectangles and then color them!

Complete The Shapes

Draw the missing parts of the hexagons and then color them!

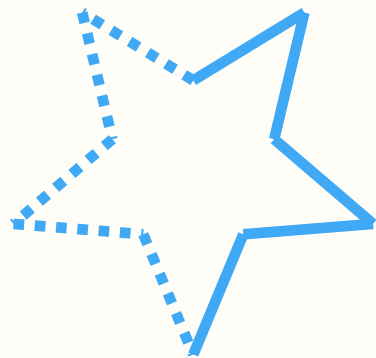

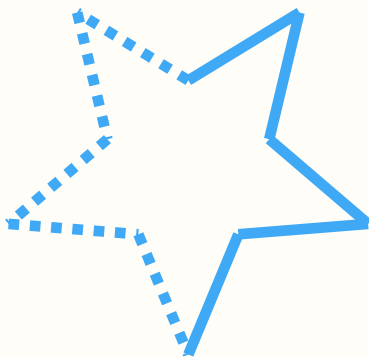

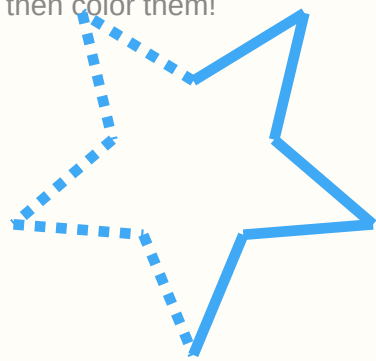

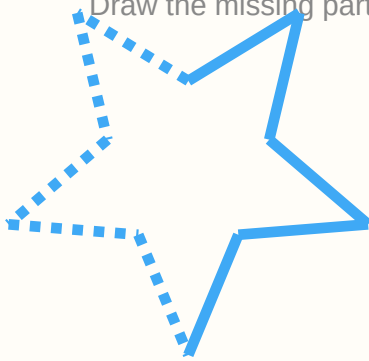

Complete The Shapes

Draw the missing parts of the ovals and then color them!

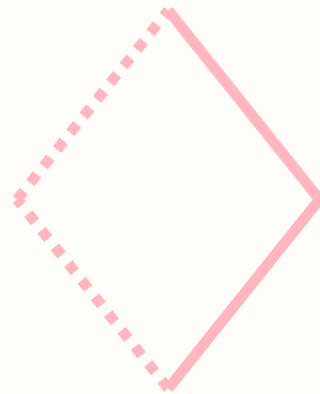

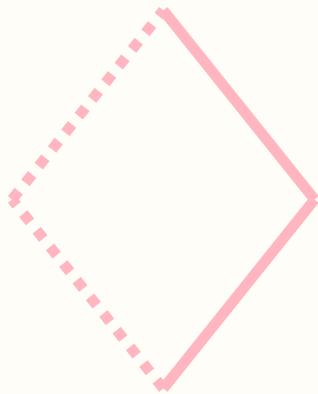

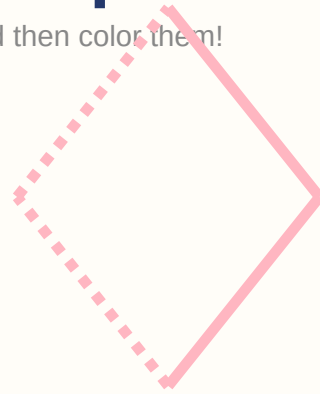

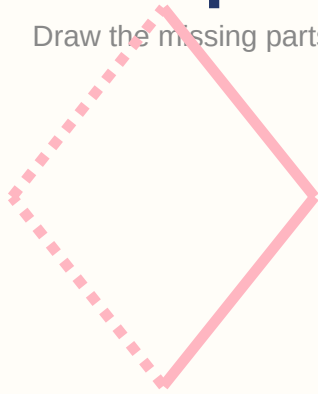

Complete The Shapes

Draw the missing parts of the stars and then color them!

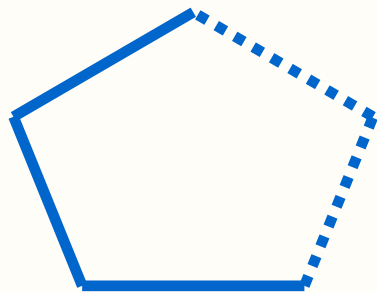

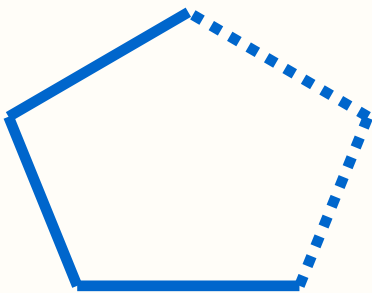

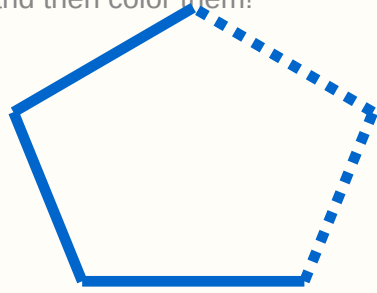

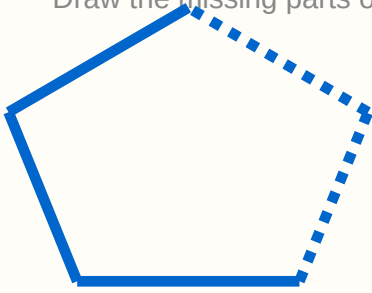

Complete The Shapes

Draw the missing parts of the diamonds and then color them!

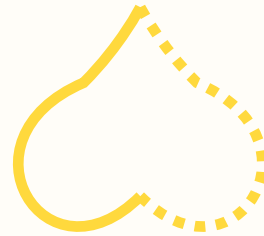

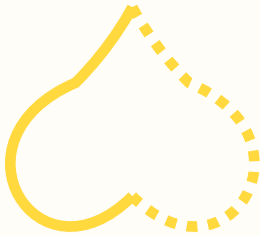

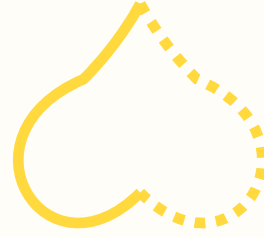

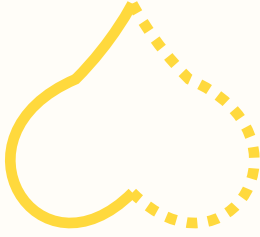

Complete The Shapes

Draw the missing parts of the pentagons and then color them!

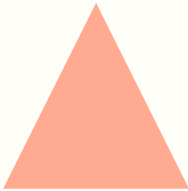

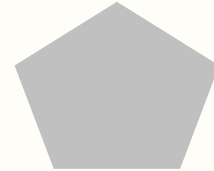

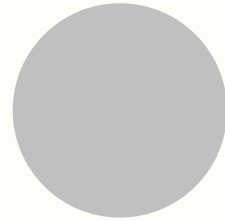

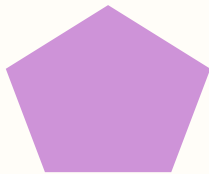

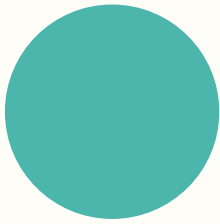

Complete The Shapes

Draw the missing parts of the hearts and then color them!

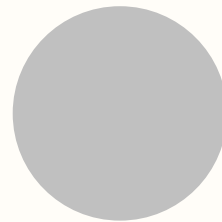

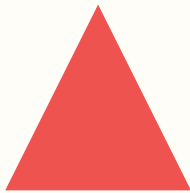

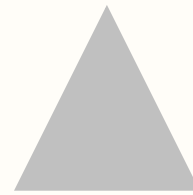

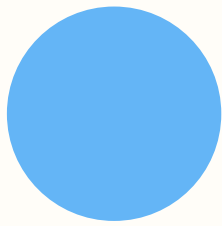

Match The Shapes

Draw a line to match each shape with its twin!

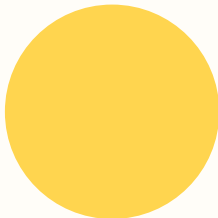

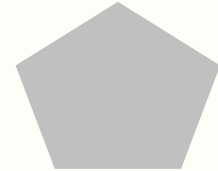

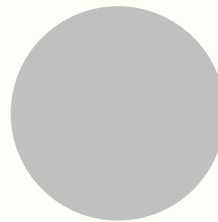

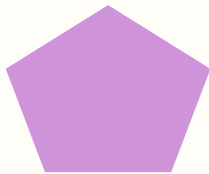

Match The Shapes

Draw a line to match each shape with its twin!

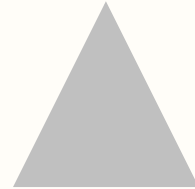

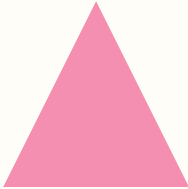

Match The Shapes

Draw a line to match each shape with its twin!

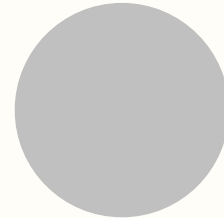

Match The Shapes

Draw a line to match each shape with its twin!

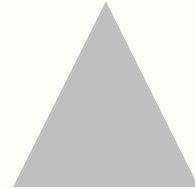

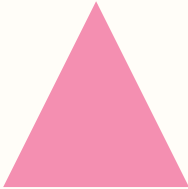

Match The Shapes

Draw a line to match each shape with its twin!

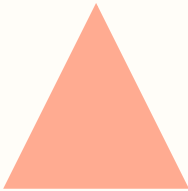

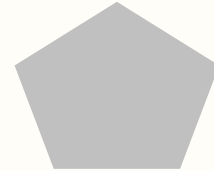

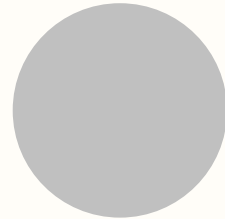

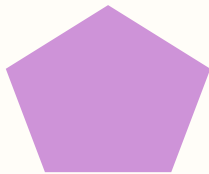

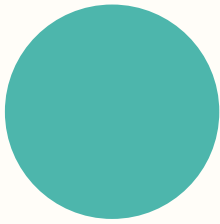

Match The Shapes

Draw a line to match each shape with its twin!

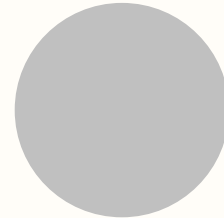

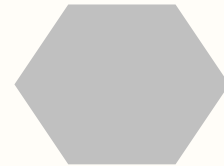

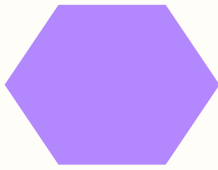

Match The Shapes

Draw a line to match each shape with its twin!

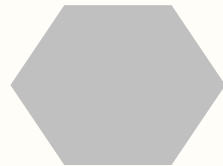

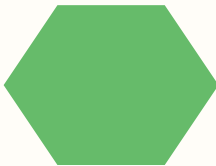

Match The Shapes

Draw a line to match each shape with its twin!

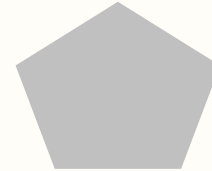

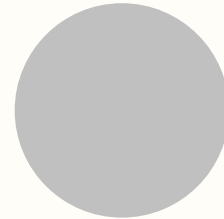

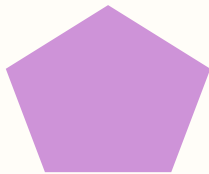

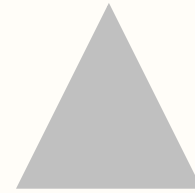

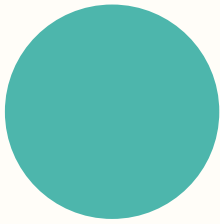

Match The Shapes

Draw a line to match each shape with its twin!

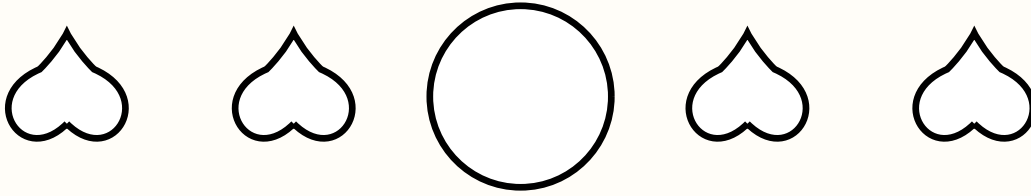

Match The Shapes

Draw a line to match each shape with its twin!

Complete The Pattern

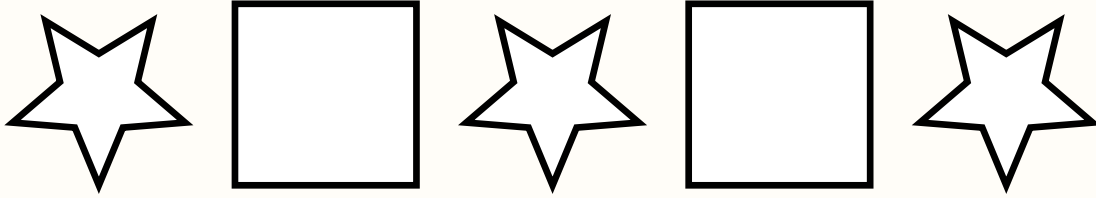

Look at the pattern and draw what comes next!

Great Job, Little Explorer!

You did amazing learning all about shapes!
Keep practicing, keep exploring, and most importantly —
keep having FUN!

Every shape you trace, every pattern you complete,
makes your brain stronger and your creativity brighter.
